*Hello from the
Revd Jenny Taylor*

Christmas is almost here! No doubt everyone is busy getting ready – sometimes the getting ready is almost better than the actual event! But here is a thought to turn that actual event, load and exhaustion to one of utter amazement that such a gift could be given to us.

There was a moment in history when a baby was born, a baby who grew up to be a man who never travelled the world, who never managed a large corporation, who never earned millions, who never had a university education or obtained a degree and never won any elections. When still young popular opinion turned against this man, his friends deserted him and he was mocked and tortured and nailed to a cross to die.

And yet over two thousand years later we still celebrate the birth of Jesus with all our energy and enthusiasm, because, of course, it is not the birth of death and destruction but the birth of hope, joy and light. Where do we stand in his story and how we can pass that story on to those as yet unknown?

When Christmas day dawns this year we will be joining with countless numbers praising God who sent his Son, Jesus Christ, into the world, as St John says, not to condemn the world but to save the world through him.

A Very Happy and Blessed Christmas to everyone in
Bishopstone and Stratford Tony!

Precise timings and arrangements will be given in the New Year.

In the meantime we look forward to having cosy, warm seats!

BISHOPSTONE PARISH COUNCIL

A meeting of the Parish Council took place on Thursday 10th November. Details are in the full minutes of the meeting which are available on the village website (www.bishopstone-salisbury.co.uk). The main items considered were:

- Wiltshire Council's Community Area Transport Group had turned down the request for a pavement to be constructed along the south side of the High Road between Meadow View and the entrance to Whitlock Rise on grounds of cost. Given the width of the verge at this point they had suggested that the Parish Council might consider providing a less formal footpath for pedestrians to use that did not run immediately alongside the road. It was agreed to investigate the cost of providing a path with a gravel, or similar, surface along this section of verge.
- Arrangements have been made for a speaker from the South West Ambulance Service to attend the Parish Council meeting in January to give a presentation on the provision of Public Access Heart Defibrillators and on the support for their provision available from SWAS.
- Residents of Whitlock Rise confirmed that they had received advice from BT Openreach that, because of the distance from the "green box" that serves them, a high speed broadband service would be difficult to achieve. It was agreed to check speeds with others at the geographical extremes of the village to see how widespread this problem is.
- All the responses received by the Parish Council to its consultation on the proposal to erect a mobile phone mast on Netton Farm had been in favour. As a result the Parish Council had submitted comments to the developers strongly supporting this proposal. There would be a second round of consultation with the Parish Council when the planning application is submitted, which was expected to be during November/December.
- Following the extensive consultation in the village, it was agreed to site a bench to commemorate the Queen's 90th Birthday, and the longest reign by an English monarch, where the path from The Alley meets Bridge Road. It was also agreed to purchase a bench made of recycled materials.
- Wiltshire Council had consulted the Parish Council on BT's programme for removing public telephone kiosks throughout the county. The rise in the use of mobile phones and the internet means that public kiosks are now little used. BT's figures show that the kiosk opposite Pitts Lane was used just 8 times in the 12 months to October. It was agreed to respond by reference to the fact that mobile phone coverage in the village is currently poor and that the removal of the kiosk service should be delayed until after the proposed new mobile mast is approved and operational. Thereafter it would be open to the Parish Council to consider whether the kiosk structure should be retained, once the phone has been removed, for some alternative use.
- In a discussion about the Parish Council's finances, it was agreed to set the precept (the share of Council Tax the Parish Council receives from Wiltshire Council) for 2017/18 at a level that would increase income by approximately £900. This would result in an increase in that part of Council Tax attributable to the Parish Council of just over £3 a year for a Band D property.
- Cllr Brutton reported that he had begun discussions with others about how to implement the "Area Helpers" proposals in the Bishopstone Plan.

The next meeting of the Council will be on Thursday 12th January 2017 at 7.30pm in the Village Hall. All are welcome to attend.

Everyone in the Chalke Valley is welcome
And friends & family from outside of the valley are welcome too

If you cannot attend but would like to donate, please make your cheque payable to
'The Chalke Valley Link Scheme' and deliver it to

22nd December.

If you would like to help ... please contact Helen or Lizzie. Plates of canapés and volunteers to clear up at the end of the party would be very welcome indeed!

Come and have a good time for a very good cause!

The Chalke Valley Link Scheme exists to provide good neighbor support with transport and other practical help for all residents living in the Valley. Help provided includes transport to a doctor's or hospital appointment, collecting prescriptions or a run to the Post Office. Other assistance could include support with minor household chores, changing library books, or visiting those living on their own.

The Scheme is a Registered Charity and has served the Valley since 1996. It was presented with The Queen's Award for Voluntary Service in 2006. This award can be seen in the Broad Chalke Surgery waiting room.

A dedicated team of more than 90 drivers/good neighbor volunteers enable the Scheme to fulfil its role. Over 900 journeys were undertaken last year. Although all the team are volunteers, there are inevitable standing charges to the Link Scheme for insurance, telephone, mileage claims etc.

There is no set charge for those using the service, donations being voluntary. So the Link Scheme is most appreciative in this generous sponsorship from The Bishopstone Village Christmas Party.

The Scheme is always looking for volunteers. Please contact Alan Stutchbury (780339) in the first instance.
