Any articles for inclusion are to be submitted by 5pm on the 20th of the month to appear in the next issue - *unless the magazine is already full.*

The editors reserve the right to edit all contributions.

I'm sure that you have already admired the beautiful photograph on the front cover of the magazine, taken by talented photographer Andrew Wiltshire. Andrew has travelled widely with his camera, but loves taking photos in all seasons around his home in the Chalke Valley. I highly recommend a browse around his website:

[www.countrysidephotography.org](http://www.countrysidephotography.org) from which you can buy prints or downloads in exchange for a donation to the Wiltshire Air Ambulance.

This is the final edition of STaB for 2021, as well as the first of 2022! It also marks 3 whole years of the current editorial team producing STaB. We'll be back in February 2022.

### ***A warm welcome to Bishopstone and Stratford Tony...***

Welcome to the Tyler Hills family who have recently moved into Harvest Lane. We hope you will be very happy here in Bishopstone.

*Please let us know if you know of anyone who moves into Bishopstone or Stratford Tony - or indeed if you yourself have recently moved in, do introduce yourselves! - so that we can offer them/you a welcome in STaB.*

## Hello from the Revd Canon Jenny Taylor

This time last year we were wondering whether we would see our families at Christmas; whether we would sing our favourite carols; whether we would be able to socialise with friends and neighbours; whether we would be able to hear the Christmas story again in our churches – and of course we were not able to do many of those. This year, although things are still uncertain, Covid Vaccinations 1, 2 and 3 are rolling out well and we are certainly beginning to feel more at ease with the normal things of life. The Christmas

holidays were different last year and will probably be so again (although not like last year!) BUT the deep truth that God gave unconditional love to his world in that tiny baby we know as Jesus, is a truth that has traversed centuries and continents to reach us in this 21<sup>st</sup> century in these villages in Wiltshire and that has not and will not ever change! And this true essence of Christmas will never ever be cancelled!

I so hope you feel able to join us in church over the festive period, wear masks and sanitise your hands, but join us so together we can celebrate this eternal truth:

*God so loved the world that he gave his only Son, so that everyone who believes in him may not perish but may have eternal life.*

The churches and congregations of Bishopstone and Stratford Tony wish all of you a blessed and peaceful Christmas that will continue to bring hope to us all in 2022.

## Parish Council

A meeting of Bishopstone Parish Council took place on Thursday 11<sup>th</sup> November in the Village Hall. Full minutes of the meeting, together with the papers considered, are available on the village website [www.bishopstone-salisbury.co.uk](http://www.bishopstone-salisbury.co.uk). Councillors Gibbon, Thorne, Barter, Smith, Edwards, Tatner and Williams attended, together with ten members of the public and Wiltshire Councillor Nabil Najjar.

Cllr Najjar presented a short report. He said that he was very much enjoying representing Fovant and the Chalke Valley on Wiltshire Council and being a member of the South West Area Board. The Board's priorities were to tackle speeding in villages, rural crime, the environment and broadband connectivity. Representations had been made to the Police and Crime Commissioner for more police resources to be made available to assist. A rural crime survey was being carried out. He was grateful for the presentation Roger Stockton, Toby Mills and Mike Ash had made about Bishopstone's broadband project to a SWWAB webinar on connectivity.

The main issues discussed in the meeting were:

**Speeding in the village.** This is reported separately in this STaB.

**Defibrillator.** Work to install the new defibrillator in the ex-telephone kiosk opposite Pitts Lane was now underway. A further announcement about training has yet to be made. Any further requests to attend the training course should be sent to the Parish Clerk as soon as possible.

**Children's Play Area.** A quote for the provision of two "springers", with safety surfacing, submitted by Outdoor Play South West, was accepted. The new equipment will be installed once the ground dries out in the Spring.

**Tree Planting.** An application had been submitted to the Woodland Trust for a pack of 30 tree saplings to plant in the margins of the Recreation Field as part of the "Queen's Green Canopy" project to mark next year's Platinum Jubilee. If successful the trees will be received in March, when help will be needed with planting. If you are prepared to help, please contact Cllr Simon Williams (780905).

**Village Website.** The village website does not meet current standards in terms of accessibility by those with disabilities who use assistive technology. Under the regulations the website must be able to have its text enlarged and be sufficiently clear, have a good level of colour and contrast and a page layout and navigation that does not present barriers for users with disabilities. Proposals were

considered for engaging a contractor to migrate the website to a format and presentation that is compliant with the regulations. It was decided to seek a range of quotes for taking this forward.

**Precept for 2022/23.** It had been possible for the parish precept (the money the Parish Council receives from Wiltshire Council as part of Council Tax) in the current year to be set at a level 50% of that in 2020/21 as a result of Covid related grants. All households in the village had therefore paid less Council Tax. However, it was agreed that if the activities of the Parish Council to improve amenities in the village and to deal with problems was to be maintained it would be necessary to return to the level of the precept as it was in 2020/21. A precept of £10,000 for 2022/23 was therefore agreed. This will result in an annual charge for a Band D property of just over £35.00 – the same as in 2020/21.

**The next meeting of the Parish Council will take place on Thursday 6<sup>th</sup> January at 7.00pm in the Village Hall.**

Mike Ash

Clerk

## **Defibrillator Training**

The village's second community access defibrillator is now being installed at the kiosk opposite Pitts Lane. As part of the project a short free training course in CPR and the use of defibrillators will be held in the Village Hall. This session will be arranged at the best time to suit those attending.

Community defibrillators are designed to be used by members of the public without any formal training (they talk to you!). However, training is desirable, particularly to create confidence in use of the equipment and to encourage the community to learn CPR.

**IF YOU WOULD LIKE TO ATTEND THIS COURSE PLEASE CONTACT  
MIKE ASH AS SOON AS POSSIBLE**

**([bishopstoneclerk@btinternet.com](mailto:bishopstoneclerk@btinternet.com) on 01722 781044).**

Those who attended the training course provided when the first village defibrillator was installed are welcome to attend for a refresher.

## DO YOU WANT 20MPH SPEED LIMITS IN THE VILLAGE?

### The Parish Council wants to hear your views.

At the meeting on 11<sup>th</sup> November the Parish Council discussed the traffic speed surveys reported in October's edition of STaB and whether to put forward an application for 20mph speed limits in the village roads south of the High Road.

Wiltshire Councillor Nabil Najjar, who attended the meeting, said that road safety was a priority for the South West Area Board but an application for the introduction of 20mph speed limits would only be supported if the criteria for their introduction were met and **there was strong backing from the local community**. The Parish Council therefore needs to assess the degree of support for such a proposal.

The Parish Council is very concerned to ensure the safety of those using the village roads, whether as drivers, cyclists, horse riders or pedestrians, particularly considering the number of children that regularly have to walk along roads where there is no footpath. However, it is a more open question as to whether the introduction of 20mph speed limits would make a real difference. The traffic surveys have shown that the average speed of vehicles in the village is already at or below 20mph on all roads. At the top end of the range (85<sup>th</sup> percentile) only Harvest Lane has speeds well above 20mph (26mph).

Research carried out nationally indicates that when limits are introduced average speeds are reduced by 1–2 mph, but only by about 0.5 mph at the 85<sup>th</sup> percentile level. So whilst some reduction in speeding is achieved, faster drivers continued to behave much as before any speed limit was introduced. The police do not carry out enforcement in 20mph limit areas.

It would be necessary to erect speed limit signs at the Flamstone Street, Butt Lane, Harvest Lane and Church Lane entrances and around 15 smaller repeater signs (at 200m intervals) along the network. Roundels would also be painted on the road. The cost of this work, together with the making of the Traffic Orders required by law, would be about £8,500, of which the Parish Council would be liable for 25% (£2,125).

A number of local residents who attended the meeting expressed strong support for the introduction of speed limits. However, additional traffic surveys would be required on roads not covered by the earlier work before any application can be submitted. The Council therefore decided to request that this work be undertaken and, in the meantime, to seek the extent of support more widely in the village.

It is clear that the potential benefits of introducing speed limits in the village may be somewhat marginal. However, you may consider that any action that reduces the speed of vehicles using these roads is desirable. **The Parish Council would welcome your views – please email me at [bishopstoneclerk@btinternet.com](mailto:bishopstoneclerk@btinternet.com) by 20<sup>th</sup> December.**

# Bishopstone Ultrafast Broadband Update

## We've Done It!

I am very pleased to be able to tell you that Openreach have told us that we have enough Government Vouchers activated for them to move the **project into "Build"**. **Thank you** for responding so quickly to the emails from the DCMS.

### What Happens Next?

DCMS Emails: Some of you on the list have yet to receive an email from the DCMS – the Project Team is chasing this for you as we need you all to respond.

FTTP Installation: Openreach will begin surveying the infrastructure soon. We do not have a date for the work to begin yet, but we are in contact with Openreach and will know more at the end of January.

For more information, visit our website: [www.bishopstone-ftp.uk](http://www.bishopstone-ftp.uk)

If you **can't find out what you want to know** there then please contact:

### Christmas Waste and Recycling

Waste and recycling collection dates will not change over the Christmas and New Year period, as waste collection crews will be working as normal on Bank Holidays Monday 27, Tuesday 28 December 2021, and Monday 3 January 2022.

Garden waste collections will stop for two weeks over this period as normal. The last collections will take place on Friday 24 December and they will restart on Monday 10 January 2022.

Households with extra recyclable materials such as cans, cardboard and paper can place these in suitable alternative containers alongside their bin for collection. Flatten cardboard and wash and squash plastic bottles and cartons and put the lids back on as this will help make more room in your blue-lidded bin.

## Village Hall

## December 2021 - January 2022

### **LATEST COVID ADVICE:**

As we enter the winter season we ask all to adhere to current advice to wear face coverings while moving about in the Hall, to use hand gel regularly and to sign in with the QR code if possible to help the NHS test and trace system.

There will be extra ventilation to reduce risks so do dress warmly. We shall endeavour to keep the Hall at a comfortable temperature during cold weather but will ventilate areas well beforehand and during any intervals.

We would also remind you not to come to the Hall if you are at all unwell and would recommend taking a lateral flow test before mixing with others if you have been in contact with someone who has or may be carrying Covid, even if you are fully vaccinated.

### **CHRISTMAS FAIR - Friday 3<sup>rd</sup> December at 6pm**

## Staying in Touch

STaB magazine is a vital source of communication in the village, keeping everyone informed as to what is happening locally. However, the Covid-19 pandemic has highlighted the fact that the situation can change very rapidly. To keep up to date with what is going on there are two other important sources of information in Bishopstone - the village website and our own WhatsApp network.

The village website – [www.bishopstone-salisbury.co.uk](http://www.bishopstone-salisbury.co.uk) is updated in real time and carries all the latest news on issues that affect the village.

The Bishopstone Network is a WhatsApp messaging service that has more than proved its worth during the pandemic. Information can be instantly shared to your mobile phone about support services being provided in the village and on a variety of other matters – everything from the length of electricity black outs to what is available from the White Hart take-away service! You will need to download the App to your phone and then contact Piers Edwards ([piersgedwards@gmail.com](mailto:piersgedwards@gmail.com) or 01722 780079) or Kate Pendleton ([kmpendlenton@hotmail.com](mailto:kmpendlenton@hotmail.com) or 07769202200) and ask to be added to the group.

## Bishopstone Ladies Group

Unfortunately our group has not been able to meet since February last year because of the pandemic. Although we hope to be able to get together in the future, sadly, due to the ongoing situation, the committee feel it inappropriate to meet for the time being. There will, therefore, be no meetings for the rest of 2021. We shall monitor the situation and let you know when we feel it is safe to restart.

## Salisbury Foodbank

This month we had 3.6 kgs of donations. Thank you all.

As I mentioned sometime earlier in the year although our Foodbank is still part of The Trussell Trust, if you want to donate specifically to Salisbury by cheque or standing order your donation must be made out to *SALISBURY FOODBANK* or it will go into the Trussell Trust Head Office pot and be sent to wherever is in most need.

Please continue to support this very worthy cause. You can donate food at most of the supermarkets now but I am still happy to take along anything that is brought to me here at home, or left in our lovely church.

### Items they are short of and asking for at the moment:-

**Long Life Fruit Juice**

**500g Rice**

**Dried Milk**

**Stuffing Mix**

**Packet Pudding, Angel Delight**

**Tinned Fruit**

**Tinned Veg**

**Women's Deodorant**

**UHT Milk**

**Gravy Granules**

**Sponge Pudding**

**Chocolate Bars**

**Jam**

**Toothpaste**

**Men's Deodorant**

**Shampoo**

**Dog Food, tinned and dry**

By the time you read this we will be in December with Christmas the next cause for many people to feel anxious, especially those with families. It should be a time of happiness for us all so please, think of those who are less fortunate and help to make theirs a Happy Christmas too. **Any Christmas donations must be at the warehouse by 10<sup>th</sup> December to make sure they get delivered in the Christmas boxes**, so please if you have Christmas specific goods let me have them by Thursday 9<sup>th</sup>. **MINCE PIES** and **CHRISTMAS PUDDINGS** would be particularly well received.

Thanking you in advance.

A Happy Christmas to you all.

Best wishes, Judy Barrett (01722 780306)

## Bishopstone's Heritage

In last June's edition of STaB you may have read about the Faulston Tower Dovecote. Of course, Bishopstone is an historic settlement and the tower is but one of some 23 structures in the village "listed" as being of architectural or historic interest. The core of the western part of the village is also a designated Conservation Area.

Conservation Areas are created to manage and protect the features that make them unique. Every local authority in England has at least one conservation area and there are around 10,000 in England.

The formal description of Bishopstone's Conservation Area says that it "reflects the pattern of the historic settlement of the village, the architectural and historic quality of the village's buildings (including the use of traditional building materials and local vernacular styles), the rural landscape setting, the trees, hedgerows and historic boundary and dividing walls". A detailed description of the Conservation Area is on the village website – go to [www.bishopstone-salisbury.co.uk/conservation-and-listed-buildings](http://www.bishopstone-salisbury.co.uk/conservation-and-listed-buildings)

Planning controls are more restrictive within conservation areas. It may be necessary to apply for planning permission for some building works that would normally not need it. Trees also contribute to the character of the Conservation Area. **If it is intended to undertake work to trees within the Conservation Area it is necessary to notify Wiltshire Council six weeks before work begins.** The authority will then consider the contribution the tree makes and whether the work can go ahead.

Individual properties may also be protected by being included on Historic England's list of buildings of "special architectural or historic interest". Work to such buildings requires special permission, alongside any necessary planning permission, so that the character of the building is protected for future generations. The older a building is, and the fewer the surviving examples of its kind, the more likely it is to be listed. Listed buildings are graded according to their importance – Grade I, Grade II etc. Listing status covers the entire building, internal and external, and so works which require consent might, depending on the precise status of the building, include internal alterations.

Listed Buildings in the village include the Grade I church of St. John the Baptist (built during the 12th century); the old rectory (Grade II), now called Bishopstone House, built about 1815; Faulston House (Grade II), which dates from the 17th century but was largely rebuilt in the 18<sup>th</sup> century and Netton Old Farmhouse, built in 1637.

More modest cottages and many non-residential structures are also covered. The latter include one of the monuments in the churchyard, a Granary and various bridges over the River Ebble as well as the Dovecote. For example, the bridge and bollards in The Alley and the footbridge over the Ebble in Church Lane are "Listed Buildings" – these are pictured with their "listing" descriptions. The list also includes an eighteenth century milestone alongside the A354, probably provided when the Salisbury to Blandford road was turnpiked in 1754. Unfortunately I have been unable to find this milestone and it may now be lost.

*"Footbridge over River Ebble with two pairs of bollards. Early C19 bridge, bollards probably late C19. Limestone ashlar segmental arched bridge with plain parapet with half-round coping. Vehicular access across bridge blocked by two pairs of cast-iron cylindrical bollards with moulded angles and scalloped cappings".*

*“Clapper bridge, probably seventeenth or eighteenth century, consisting of three large limestone slabs supported on four low rectangular piers, with projections to west with grooves for hatches. A good unaltered example of this type of bridge”.*

The full schedule of Listed Buildings in Bishopstone, together with the features that make them of particular interest, is included on the village website page mentioned above.

## Remembrance Sunday 2021

What a difference it has made being able to meet on the doorstep of so many houses this year, and inside the church to remember the fallen of our little village.

Once again, we made door-to-door collections around the Village, and it was so encouraging and good to meet so many new faces and to see so many old friends, while collecting for the Poppy Appeal. Our total collection in cash amounted to £1467.65, of which £530.00 was gift-aided, which will return to the RBL an additional £132.50 from HMRT. So, our full donation to the Poppy Appeal this year will be £1600.15.

I would like to thank all the collectors, Mark, Anne, Francis, Dot, Piers, Pat and Ron for the crosses on the graves, and of course Zara in the pub. What a great effort this year after the restricted giving of 2020. Many thanks to all the donors for your generosity and help. The RBL will be most grateful.

Then, on Remembrance Sunday we enjoyed a full church again for a complete Remembrance service starting with the Roll of Honour and the Silence around our lovely brass memorial plaque. We thank the Revd Canon Tony Monds for his excellent service and interesting and thought-provoking sermon, and all those who participated in the service, to make it a real village effort: Mike Bundy for the Roll of Honour, Ted Pendleton for the wreath laying, Toby Mills for Bunyon's memorable stanza, Rob Pendleton for the epitaph, and Geoff Taylor for the intercessions. It was a memorable occasion, suitably solemn but uplifting, aided by the wonderful organ under Richard Seal's careful hands. Thanks too, to the ever supportive advice and help of our Church Wardens, Sarah Seal and George Brutton, without whose presence much would be lost. It was good of the military personnel to wear uniform, a reminder of who we are remembering.

Thank you all for your support and help. I am now looking for successors to organise the Poppy Appeal in the Village, and to coordinate the military input to the service. I have done both for 15 years, and am getting on, so need to pass these jobs on. Any takers please give me a call soon, and we can discuss the future.

## In Our Night Sky - Jupiter

Jupiter, the fourth brightest object in the sky (Venus is third) follows the path of the sun and moon and at the moment is highest in early evening, clearly visible as a white disk with binoculars and with up to 4 moons visible as points of light in a straight line with a small telescope. However looked at the following night, these clearly will have moved significantly.

When Galileo saw this in 1610, it was clear evidence in support of Copernicus' idea of a heliocentric system, but this was heretical to the Catholic hierarchy of the time and it later led to his demise, although a sun based system had been proposed by Aristarchus of Samos somewhat earlier in 270BC.

Jupiter is huge. At 1/10 the diameter of the Sun it has played a pivotal role in the formation of the Solar System yet still controls movements today, at the same time offering some protection from intra and inter galactic objects. (They get drawn in and swallowed.) Like the Sun it is primarily composed of hydrogen and helium, but on Jupiter helium is only about 10% of the total. As such it is called a gas giant, but whilst on earth these are light very light with boiling points below -250 deg.C, in the core of Jupiter despite temperatures above 20,000 deg.C, under the immense pressure of the outer layers they are liquid.

In chemistry at school one learns the periodic table, where hydrogen is above lithium and helium is above neon as an inert gas, but in the core on Jupiter, they are both liquids and metallic, with helium acting as an alkaline earth. Under the stress of the planets rotation, less than 10hours, the core is churned up, which leads to a large magnetic field, 20,000 times that of earth and as on earth the aurora, but hugely more spectacular.

The rapid rotation also gives rise to the banded appearance to the surface clouds and the long-lived storm system visible as the famous red spot, over 10,000 miles across. In the absence of a solid surface, this may be a form of gaseous volcanism, allowing heat to escape from the core and allowing pressure release, like a pressure valve. Observations have shown that the spot is very slowly reducing in size, but that others may be forming.

Truly an Emperor of the sky, but treated by Holst as "the Bringer of Jollity".

## More Rambling with Jazzie

We have had so many new rambles over the last month, enjoying the good weather and warm time of year. Jazzie is now 9 months old, and about as big as she will get .. we hope! She remains a shaggy beast but great fun, despite cutting my skin

easily with her sharp claws. We tried to go for a trim in September, but she got so upset in the parlour that we had to retire before we were hurt!! She is now being trimmed and groomed at home, with varying luck!

It has been great fun doing so much door-to-door collecting for the Poppy Appeal this month, and I have met many new families and people I did not know. It was a good chance for a doorstep gossip with so many old friends. You will see what we collected this year in a separate article.

The village trees have been blooming much later than usual, and only now in late November are the beeches on the Avenue down into Wilton turning to such magnificent hues of gold and brown and yellow. They really do resemble the nave of our Cathedral! We are still cutting our grass and gathering the leaves. What a superb compost mix that makes for next year. I now have three heaps going, this year, last year (for use next year) and 2019 which is nearly all spread over the garden. It is amazing how much compost can make from a garden.

Jazzie has also enjoyed meeting many new friends on our walks, as well as some of her old favourites, Purdey, Darcy and Roxy, Wilson, Monty, Willow and Coco, Tich, and so many others. She remains very friendly and generally quite good! Perhaps better than me! We always pick up after her deposits, minute as they may be, but I do wish whoever deposits on my front lawn from time to time would also pick up afterwards!

Sadly, we lost Alan Bebbington last month, who was for many years Church Warden and treasurer and a stalwart of the church and the village. We all miss a fine old gentleman.

Good walking but prepare for worser weather and more cold this winter! Happy Christmas!

The children we support with CATT (Children's Accelerated Trauma Therapy) really do have nothing. They are refugees whose families travelled with the bare essentials to Uganda and have found there a safer environment, but also unemployment and difficulties with small food rations and dispersed families.

The children who are supported through our CATT programme are recommended through the Mothers' Union, church and family networks. Many will just have one meal a day of beans or maize.

This Christmas we would love to share joy with them by giving them a football, skipping rope or equivalent.

We would also like to fund a Christmas meal for our CRESS family in Uganda as we have in previous years.

## Country Fayre Update

### **Berwick St John County Fayre present over £31,000 to the Stars Appeal**

The organisers of the Berwick St John Country Fayre presented £31,204.27 at a special presentation afternoon on Sunday (7<sup>th</sup> November) at Berwick St John Village Hall.

The colossal sum is the result of a special one day country fayre called the Berwick Bash, which took place in September, attracting thousands of people. The event featured the now famous traditional tea tent, the Fayre Inn, exhibits of vintage tractors, cars and commercial vehicles, full size and miniature steam engines, stationary engines, heavy horses and cart rides, as well as displays and demonstrations of rural crafts and collections, trailer rides, live music, and fairground rides. There was an extensive choice of food outlets, trade stalls and the raffle. Entry to the event was free but attendees were asked to make a donation. In addition, money was raised from a raffle, profits from the tea and beer tent and the sale of concession to traders.

The Stars Appeal is the NHS charity for Salisbury District Hospital. The charity aims to raise over £1million each year to fund projects which offer direct, practical support to patients, their loved ones and the hospital's staff. These projects include advanced diagnostic and treatment equipment, creating new buildings and spaces in which care can be delivered in a bright, modern and patient focused environment and additional services such as free wifi and a Staff Counsellor.

Dr Richard Harrison, Respiratory Consultant and Stars Appeal Ambassador said: "The Berwick Bash was a fabulous event which all of us involved with the Stars Appeal feel hugely privileged to be the beneficiaries of. To have raised this staggering sum of money in just one day is incredible and true testament to the hard work and commitment of everyone who does so much to make these events possible. The money raised will make a life-changing difference to local people in hospital, from newborn babies to the oldest in our community, and support the NHS staff that care for them, by helping us continue funding a wide range of Stars Appeal projects across the hospital.'

The Berwick St John Country Fayre will return next year as a two day event on 17<sup>th</sup> and 18<sup>th</sup> September 2022. More details can be found at [www.berwickstjohncountryfayre.co.uk](http://www.berwickstjohncountryfayre.co.uk) and on the event's Facebook page.

For further information contact Louise Hall, Fayre Secretary on 07775 982415

## Thank you!

To all the generous people in the valley and beyond, we want to say a huge thank you for your support and hard work at the Bowerchalke Market, the Afghan Talk and the Cheese and Wine evening. And thank you too, to those who pressed cash into our hands and pushed donations through our door, all to support the work of Afghanaid. We have been overwhelmed by your generosity.

The money raised was: £1435 from Bowerchalke Market

£2176 from the talk,

£250 from the Cheese and Wine evening

*Total £3861*

The money from the last two events is eligible for match funding which will double it to **£4852**

The grand total therefore comes to **£6287**

The people of Afghanistan will continue to need our help. With your support perhaps we can organise more events in 2022. Any ideas, let us know!

### **NEW YEAR'S DAY LUNCH 12.30 FOR 1.00pm The United Reformed Church Broad Chalke**

Feeling a bit low since the Christmas Festivities? Then why not come and join us for a light lunch (soup, pudding and coffee/tea)?

We are happy to announce that we shall be bringing back our New Year's Day lunch for everyone who would like a bit of cheer and fun to start the New Year.

Please bring along any poetry, stories or anything of interest relating to the start of a New Year.

This event is open to everyone, but since numbers will be limited, please would you let Rina Musselwhite know on 01722781264 if you wish to attend and whether you have any special dietary requirements or allergies, by Thursday December 30<sup>th</sup>.

**We look forward to welcoming you.**

## 'Recipe' of the Month - Reindeer Brownies

Less a 'recipe' than a fun suggestion this month - reindeer brownies with pretzel antlers, perfect for making with children!

Use your favourite brownie or chocolate cake recipe (or a box-mix of brownies - keep it simple!) and bake in a round or square/rectangular tin, depending on which design you're going for.

Use buttercream to stick on edible eyes (widely available in the baking section of supermarkets) and red M&Ms. Last time I made these I had to buy 2 bags of M&Ms to make sure I got enough red ones for the noses... but it wasn't hard work to eat up the other colours!

Either break the pretzels in half, or insert whole into the tops of the brownies, depending on which look you prefer.

These are so easy and fun to make, and taste great too!

# Christmas Drawing Game

Have your guests close their eyes and draw the following:

- Draw Santa's Sleigh in the middle of your paper.
- To the Left of your sleigh, draw a pine tree.
- It's snowing, draw snowflakes in the sky.

Put some ornaments on your pine tree, now it's a Christmas Tree!

- Draw Santa on your sleigh.

- Santa is very generous, draw some presents on your sleigh

Santa likes the sound of merry jingles, draw bells on the sleigh.

Santa works at night, put a moon in the sky.

## Calculate the Points Below:

the person with the most points wins!

- 10 points – If the sleigh is in the middle of the paper.
- 10 points – If your tree is to the left of the sleigh and not touching it.
- 15 points – If you drew more than 3 snowflakes.
- 25 points – If you drew a star on the top of your tree.
- 20 points – If you have 2 or more ornaments ACTUALLY on your tree.
- 20 points – If Santa is in the sleigh and not in the snow.
- 20 points – If you have 3 or more presents on your sleigh.
- 15 points – If you have drawn more than 2 bells.
- 10 points - If Santa has a hat.
- 10 points - If Santa has a beard.
- 20 points - If your moon is to the right of the paper.
- 10 points – If your moon is to the left of the paper.
- 15 points – If your moon is in the middle of the paper.

## Sarah's Gardening Tips for December

1. Winter prune wisteria cutting back summer side shoots to 2-3 buds.
2. Leave faded heads of hydrangeas on until spring, to protect new buds from the frost.
3. Harvest holly with berries for making Christmas wreaths and garlands.
4. Take root cuttings of ornamental poppies and grow them on in cold frames.
5. Spread fresh gravel or grit around alpine plants.
6. Dig over empty borders and pile manure on top. Let the worms and frosts break up the clods of soil.
7. Prune fruit trees to maintain an open balanced structure. Leave plums and cherries until the summer.
8. Protect the tips of fig trees from frost using fleece. They will carry the fruits for next year and are susceptible to frost.

## How to place your ad in STaB

1. Make a .pdf, .jpeg, or Word file of your ad, making sure it is the correct size for publication (see table of sizes and prices above) and that it will reproduce well in black and white.
2. E-mail the file to Sarah Brough (stabads@outlook.com), stating what size of ad you would like, and how long you would like it to run for.
3. The deadline for publication is the 15th of each month. Please send ad as early as possible as the e-mails will not be checked daily. If you do not send a new ad by this date, we will use the most up to date version we have.
4. When you have placed your order, you will receive an invoice with details of payment by cheque or bank transfer. Please pay within 14 days. Donations are also always welcome.
5. The Editor reserves the right to edit all contributions.

## Letters to the Editor

*Letters to STaB are very welcome, but the views expressed may not be those of the editorial team or the Parish Church Council.*

Jill Bebbington and family would like to thank everyone who has written and called in with messages of support and offers of help after the death of Alan. And also to all those who came to the funeral to send him on his way. Your kind words and prayers are very much appreciated .

## Mystery Object!

Can anyone identify this mystery object, discovered in a Broad Chalke garden. It is 9.5cm long, the 'head' is 4.5cm wide with a pattern of concentric circles on the back and a polished fascia on the front. Hollow 'stem', no moving parts. Weight 280g/10oz. Answers on a postcard... (or more practically to the STaB e.mail address!). We genuinely don't know what it is, so would be delighted to find out. Answers in the next issue...

Do you have any mystery objects that you would like the readers of STaB to attempt to identify? Send us a photo and we might include it.

Thanks to Catherine Sharpless for this one.
