*Hello from the
Revd Jenny Taylor*

June can be the most glorious month with our Valley looking at its most beautiful. Our spirits and our hearts are raised in joyful thankfulness to be living in such a beautiful part of God's creation. Even if the weather does not live up to expectations we have a great celebration to look forward to – that of the Queen's official birthday. The weekend of 11th/12th June looks to be amazing! Bish Bash on

Saturday and an uplifting, vibrant church service on Sunday - do check the timings of all the events so you don't miss anything.

Our Queen's dedication to her life of serving her country is so well-documented that you certainly do not need me to remind you of it! But it does not do any of us any harm to think about her example, about her life of service and then to ask ourselves what we can do for our communities, our churches, our friends and families. Her Christian faith lies at the very core of her life and this might be just the time to ask ourselves about our own faith and perhaps investigate things a little more. Why not come to a church service near you – "taste and see" as it is written in the Psalms?

As we celebrate a life of prayer, of service and of dedication it seemed fitting to us as a clergy team that we look at our own prayer life together. As you are probably aware we try to meet three times a week for Evening Prayer; we still are going to at Broad Chalke on a Tuesday and Coombe Bissett on a Thursday at 5.00 pm but we are now going to add in on Wednesdays, a Holy Communion service at 12.15 in Bishopstone, starting from July 20th. If you find it difficult to come to church on Sundays for all sorts of reasons perhaps this service is for you? It will last between 20 and 30 minutes and everyone is most welcome.

Another service which is always popular is our Choral Evensong at Stratford Tony on July 3rd – it will be lovely to see you there and enjoy tea with you afterwards at Manor Farm House. That service begins another exciting month in the life of our church so keep any eye open for the following:

July 10th: Animal Service – 3.00p.m.

July 17th: Dedication of our Nave Altar – 9.30a.m.

July 31st: Benefice Service 10.00a.m.

So have a wonderful June, celebrate joyfully the 90th birthday of our Queen, look forward to July and take some time to reflect on Psalm 34:

O taste and see that the LORD is good;
happy are those who take refuge in him.

It was with great sadness that the death
was announced on
May 13th
of
Rachel Frances Auger.

We pass on our love and prayers to her
husband, Ronald.
Her funeral took place in Bishopstone
Church on
Monday 23rd May.

Dear Editor

I have heard that Broad Chalke Surgery is to close another day is this true? I have been told that 6 Penny is more important and that is why funding is being pushed to that practice rather than Broad Chalke, please can you advise.

BISHOPSTONE PARISH COUNCIL

The Annual General Meeting of the Parish Council took place on 12th May in the Village Hall. Many thanks to all those who attended.

This meeting marked the retirement of Major James Thompson as a Councillor and as Chairman of the Council, a post that he has held for the past six years. He thanked his fellow Councillors, and all who contribute to village life, for their help in making Bishopstone a wonderful place to live. Mike Ash, on behalf of the Council, thanked James for all that he had done, and the leadership he had provided, and presented him with a hamper (and a bottle of something to go in it) as an expression of thanks. We hope James will still occasionally look in at future meetings – just to make sure we are up to the mark!

Councillor John Gibbon was elected as Chairman of the Council for the coming year, with Councillor Ali Thorne continuing as Vice Chairman. Marion Foster was co-opted to fill the Councillor vacancy created by Major Thompson's retirement. A full note on the matters discussed at the meeting is available on the village website (www.bishopstone-salisbury.com). It was agreed to:

- mark the Queen's reign with a new bench in the village, rather than a tree.
- put forward a proposal to the Community Area Transport Group for a proper pavement to be provided on the south side of the High Road between Meadow View and Whitlock Rise.
- draw attention to the provisions of the Countryside and Highway Codes and to ask dog owners and horse riders to observe them.
- meet the cost of skip hire to dispose of rubbish collected after the Bish Bash Summer Extravaganza on 11th June.
- investigate further the provision of an Automated External Defibrillator in the village.
- carry out another "litter pick" before 11th June.

An update was given on discussions with Wiltshire Council of various issues concerning Whitlock Rise. Mike Ash said he was now hopeful that it would be possible for an access to be provided from the car park to the High Road. It was agreed to ask the Council to remind their tenants of the need for children not to run across other people's front gardens.

The new Play Tower in the Children's Play Area is now fully installed and is apparently much appreciated by the village toddlers! It is hoped, subject to the weather, to complete the repainting of the Play Train before the 11th June.

The considerable success of the Community Speed Watch in reducing speeding through the village was noted. **However**, this was thanks to the dedication of a very small group of volunteers. **ADDITIONAL VOLUNTEERS ARE DESPERATELY NEEDED** – please do your bit and contact Councillor John Gibbon on 01722 718551.

The proposal for a "circular walk", using footpaths in the village, has been accepted as part of a Wiltshire Council South West Board project to promote short walks that will appeal to visitors. Wiltshire Council will be publishing guidance leaflets (which will note local points of interest) and special waymarks and signing. It was agreed that the main sign to the walk should be on the High Road close to the pub – which will hopefully benefit from this project.

The next meeting of the Parish Council will be on Thursday 14th July at 7.30pm in the Village Hall. All are welcome to attend.

Traffic Control

Bishopstone House wall repairs.

There will be control traffic lights on the valley road by the turning to Wilton, whilst repairs are carried out on the roadside wall. Works started on Thursday 19th May . The work will last about 5 / 6 weeks (they are hoping to be finished by the week of the Chalke Valley History Festival). Whilst it is a necessary inconvenience to us all it is a safety requirement. Please leave a little more time to get up and down the valley?

Thanks

Anne Beckwith-Smith

In my battle to get the docks and nettles in Mac's Meadow under control it will very soon be the best time to spray them.
Please watch out for notices by the styles and keep dogs on leads for a few days.
Bob Jones

A BENCH FOR THE QUEEN

It was suggested at the May meeting of the Parish Council that, rather than planting a tree to mark the length of the Queen's reign and her 90th birthday, a new bench might be provided in the village. This was agreed... **but we want your suggestions as to where it might go.**

The bench could go on the Recreation Field, near the play area, or it could go adjacent to one of the many footpaths in the village – providing a welcome resting place on a strenuous walk. Any such location would, of course, be subject to agreement with the landowner concerned.

If you have a suggestion as to where to place the bench – please let Mike Ash know by 11th June (01722 781044 or bishopstoneclerk@btinternet.com).

THE TRUSSELL TRUST

The amount delivered on the 15th of this month was 12.8 kgs, once again thank you to those who have donated and please – keep your donations coming. Anything with a long life will be accepted, please check the use by dates as food which is over or almost out of date cannot be used.

RESPECT – PROTECT – ENJOY

The Countryside Code

Concern was expressed at the Parish Council meeting on 12th May about the failure of many in the village to observe the Countryside Code. The full version of the Code is now available on the Village website

(www.bishopstone-salisbury.co.uk) but key points are:

Respect the needs of local people and visitors alike – for example, don't block gateways, driveways or other paths with your vehicle.

When driving a vehicle or riding a bike, slow down or stop for horses, walkers and farm animals and give them plenty of room.

- co-operate with people at work in the countryside - keep out of the way when farm animals are being gathered or moved and follow directions from the farmer.
- stick to the footpath.
- take your litter home with you - litter doesn't just spoil the beauty of the countryside, it can be dangerous to wildlife and farm animals.
- keep dogs under effective control - ensure your dog does not disturb wildlife, farm animals, horses or other people. Keep your dog on a lead or in sight at all times, be aware of what it's doing and be confident it will return to you promptly on command.
- always clean up after your dog and get rid of the mess responsibly – 'bag it and bin it'.

Horse riders are also reminded of the need to observe the **Highway Code**. In particular, when riding on the road you should keep to the left and keep any horse you are leading to your left. Never ride more than two abreast, and ride in single file on narrow or busy roads and when riding round bends. You **MUST NOT** take a horse onto a footpath or pavement - use a bridleway.

FINAL NEWS FROM MR CHAIRMAN!

Well, that is it now .. I retired from the Parish Council and from the Chair last Thursday 12th May, with some ease and relief! It was a good occasion to thank all the Councillors for their hard work, support, advice and their help. It has been a busy 8 years, but we have come a long way with many innovations in the village. It has been a privilege and a pleasure to take the Chair for 6 years, and I will hold many terrific memories of a good and profitable time. I thank everyone for putting their trust in me.

Being a Councillor does take time and thought, and often care with personal worries, but it is rewarding and it has been fun. Thank you all, especially the Clerk for all the extra work, enthusiasm and knowledge, which has been invaluable to us all. Thanks also to all those who support the PC in so many ways on sub-committees, and to Jose Green and Wiltshire Council for their support. Well done, and I now commend the new Councillor, Marion Foster, and the new Chairman, John Gibbon, who have much experience of group activities and responsibilities and know the village very well. Thank you both and the very best of good luck in the new posts!

Just before I left the meeting, Mike Ash rose to say some very kind and unwarranted things, and then presented me with a magnificent gift of a bottle of Jameson's and a most handsome decanter into which to put it!! I have done that, and last night took a sample, which was perfect! I would like to thank all the Councillors for their kindness and for this wonderful gift, which I will treasure carefully.

Many thanks to you all for all you have done for the village, and the unstinting support you gave me. Long may it continue.

So that's it from me for now, but I will continue as a 'correspondent extraordinary' for STaB!!

A huge thank you to all those who have so generously supported me in fundraising for the London Moonwalk.

After a frustrating stop and start at midnight last night, the first few miles were quite slow progress negotiating 17,000 people around London in the dark, but happily the groups spilt apart and my team, The Blister Sisters, completed the 26.2 mile course in 7 hours and 52 minutes.

Thanks to your generosity I have raised over £1700 (£800 from the coffee morning alone) for breast cancer charities, something I am very proud of and am grateful to all of you.

However, we still need more volunteers to cope with demand so please, even if you can only spare the odd hour or two at lunch time, we'd be really grateful. It's a great way of meeting people. Team up with a friend if you like. Please contact Ellen at the shop if you think you might be able to get involved.

DID YOU KNOW FROM THE CHURCH

Ours is probably the best and smallest 'cathedral' in the Chalke Valley! It is the only church built in a crucifix layout, with probably the narrowest nave! However, it was built at about the same time as the Cathedral of Sarum, and is much appreciated by our many visitors.

So go along and have a look in the south transept to see the stained glass panels in all their glory. They lived for many years out of sight in the northeast corner of the vestry, not open to the public.

After their relocation last year by the glaziers of the Cathedral, you can enjoy the 14th century panel of St Peter with his book, but what in his left hand .. hardly his keys? The lower portion is 18th and 19th century renovation, which gave him 2 left feet, possibly of 14thC glass!

It was the NADFAS Church Recording Team, under Anne Stutchbury who discovered the name of the chap in the memorial on the west wall of the north transept!! It is high up; he is in clerical garb, and he is the Rev Abraham Conham.

He was Rector of Bishopstone from 1548 to 1612, but also Rector of Gussage St Michael, and a prebendary of the cathedrals in Salisbury, Wells and Lincoln. He must have been a busy man!! Have a good look, and note his dress, the ruff and the cap, the bag of gold (?) in his hand, and the family crest of a bird on a serpent above his right shoulder.

There are printed guides to the church history, post-cards for sale, and don't forget to sign the visitors' book before you leave.

Carers Week 6th-12th June

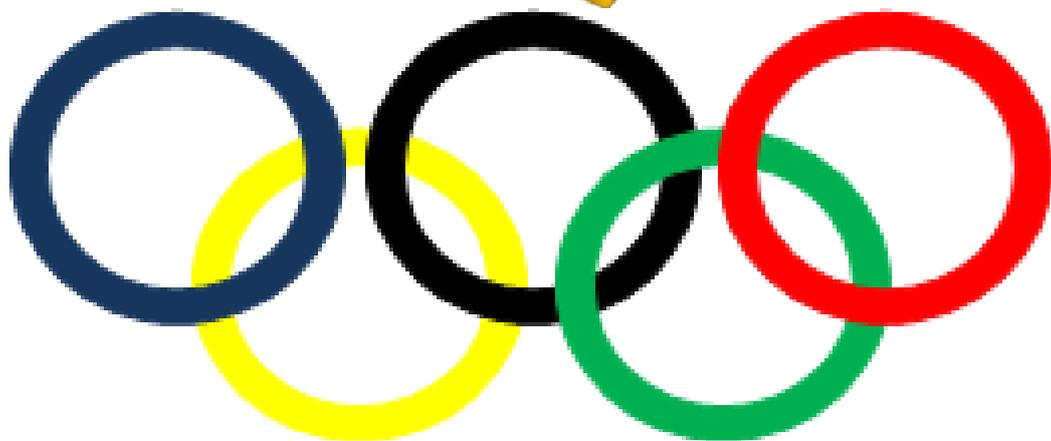

Caring is part of being human and at the heart of family life. As our population ages and people live longer, often with complex health conditions, more and more of us will find ourselves caring with 3 in 5 of us becoming carers at some point in our lives.

A carer is anyone who cares, unpaid, for a family member or friend who cannot manage without their support. They might look after someone with a physical disability, long term health condition, mental health issue or a problem with substance misuse.

Many people don't identify themselves as carers, they feel they are just doing what anyone else would so they don't always know what support is available to them.

Carer Support Wiltshire is a local charity supporting carers in Wiltshire. They help them to access support, services, education and training, and breaks from their caring role. As part of **Carers Week (6th-12th June)** they will be celebrating the contribution unpaid carers make to families and communities in Wiltshire with their **Walk a Mile in My Shoes** sponsored walk. Walkers are encouraged to decorate their trainers or swap shoes with a relative or friend and show their support for carers. The walk will take place at John Coles Park in Chippenham. You can find out more at www.carersinwiltshire.co.uk or telephone 01380 871690.

CYCLE WILTSHIRE ...

What a day for a daydream ... or even for a cycle ride! So it was in the baking heat and sun of Sunday morning on the 8th of May, when the professional cycling teams came through Bishi once again for CYCLE WILTSHIRE. What a sight as we waited on the Edwards wall for the first run, and we saw the stewards on their motorcycles, the 10 police motorcyclists, followed by the marshal cars and then finally came the 'peloton' of leaders.

In a flash they were past and on towards the church and the turn up to Wilton.

We waited, and sure enough after more motor cyclists and another car came the main group, all pedalling so hard with their heads down and bums up .. and did we hear some interesting language from them, too??

pedalling so hard with their heads down and bums up .. and did

Behind them came several cars with racks of new bikes and room for even more of the damaged ones. As usual, at the back came the ambulance!

Once again all was quiet, and the crowd outside the White Hart went indoors for more refreshment. We waited, and soon enough the whole performance was repeated!

On came the outriders on their motor bikes, then the police and steward cars, then the 'peloton' in a flash came gliding and swishing past. Soon after the main group came past in a longer 'swish', and all was quiet again.

It was interesting and fun to see the cyclists pass, but all over too quickly. I think most of us enjoyed the moment, but after all the road repairs and even closing the C12, was it all worth it?

Could the cost of the road repairs have been better spent? Were there any police motor cyclists available for Wiltshire .. with 10 securing the Race?

Latest Government Initiative

The Department of Health has stipulated that from March 2016 all patients should have a named GP. They hope that by doing this patients will be reassured that there is someone at the Practice who has overall responsibility for their health. By doing this it is thought that there will be less chance of differing opinion creating delays in treatment, or worse still falling completely through the net. This doesn't change the way that you can get an appointment to see a GP, nor will it stop you seeing a different GP on different occasions. If you would like to know who your named GP is please ask when you are next contacting the surgery. The receptionists will be able to tell you. If you would rather have someone else, then please drop us a brief note stating your name, date of birth, first line of address and who you would like as your named GP. We will amend your records accordingly.

Out of Hours Primary Care Paediatric Service

This is running from 6pm to 10pm, Monday to Friday, and 4pm to 8pm, Saturdays and Sundays. The purpose of the pilot is to provide an alternative to A&E for parents with unwell children. The timing of the pilot opening hours has been matched with peaks in A&E attendance to maximise the potential for this pilot to show benefits in a reduction in inappropriate A&E attendances of children into SFT. The focus of this pilot is very much as an extension of GP services but exclusively for children and at times when there is demand but GP surgeries are closed.

Patient Participation Group

We have a Patient Participation Group which runs currently on a virtual footing. We send regular but infrequent emails asking for comment and advice on potential changes to the Practice. We would like to have more members of this group representing all sections of the Practice, including those people who seldom visit us. If you are interested please email us at sppg@nhs.net or contact Jan West at the Surgery.
