*Hello from the  
Revd Jenny Taylor*

When this edition of STaB drops on your doormats in March we will be two weeks into Lent and our fund-raising coffee morning will be about to

happen – I do hope I see lots of you there – do read our advert so you know what we, as the Church in the Valley, are fund-raising for this Lent.

Did you know that in the early church Lent was used as a time when those who felt they were not part of the church or who had become estranged from it undertook a process of reconciliation? This culminated in sumptuous celebrations on Easter Day when they were formally welcomed back into the fold by the whole church community. I know there are many who wonder how God can possibly love them – do contact me if you would like to talk further. But meanwhile I am telling you now He absolutely does! So why not take that as your “Thought” this Lent and then come and celebrate with us on Easter Day as we worship the God who raised his Son to life so that we too may live in his glorious love.

### **Help Wanted!**

Bishopstone Church is a very beautiful Grade 1 listed building, but more importantly, it is an active church, open to anyone, every day. Over Christmas, we welcomed lots of people to our church for the special services which happened then, such as the Carol Service, and Carols round the Crib, and it was lovely to hear how much people appreciated and enjoyed those services, and many commented on how lovely the church looked.

People come to our church for all sorts of reasons. There are those who regularly attend the services, many come to visit family graves, some just come to find peace and quiet, and others come specifically to see the church. Since Christmas we have welcomed visitors from many places including Salisbury, Marlborough, Tisbury, and even from Switzerland.

We like to keep the church looking clean and tidy and welcoming. To this end, we have three teams who take it in turns to tidy, dust, sweep, or clean the brass. Each team usually has four people, but one of our teams is down to just two.

If you feel that you would like to come and help us, please contact Sarah Seal on 01722 780305, we would love to welcome more people to help in this very worthwhile activity,

Not quite the same as sending 40 bicycles, but just as important for the 500 plus pupils of Cueibet Church Primary School. Geoff Taylor and Archdeacon Alan Jeans will be travelling to our link Diocese of Cueibet, South Sudan, on 5<sup>th</sup> March. Part of the journey from the capital, Juba, involves flying 200 miles in a three-passenger light aircraft, so they won't be carrying much baggage. But they will have room for pencils. The pupils of Coombe Bissett and Longford Schools are already collecting to help their counterparts in Cueibet. If you would like to join in, you can leave a pencil\* on Emily's Desk upstairs in the Hub or give it to Catherine or Jenny when they are whizzing up and down the Valley.

\* for lots of good reasons, please don't give your chewed ones or your favourite crossword stub – a simple HB wooden pencil will do – not even the luxury of rubber on the end!

## WRITING ON THE TRUNK.

Near the top of the track from Faulston up to the Hollow (The Hole), on the west side, you come across a row of about 8 large and very old beech trees. Two of them have interesting carvings on their lower trunks.

On one there is a very clear-cut memorial to the sinking of the Lusitania in May 1915. It says:

LUSITANIA .. SUNK BY .. GERMANS .. MAY 7 ..  
1915 .. DOM .. IMO .. FWA

The Lusitania was sunk by the German Navy on 7th May 1915, in the Atlantic as she neared the British Isles. She was a passenger vessel with many Americans embarked. A large number were drowned. This incident gave impetus to the American decision to join the Great War against Germany.

There is a suggestion that the ship was carrying munitions and gold as undeclared cargo, for the British government.

But why was a memorial cut into this tree, so far from the sea and so far from America? When was it cut and by whom? Whose are the initials below the memorial, DOM etc?

Nearby, another tree has a very different carving. This time it is a shield with several initials inside, and a rather indistinct date at the top. Above it is a naval anchor.

The date could read 1940, or even 1968. However, there are twelve sets of initials inside the shield. Who are or were these people? Why did they inscribe their initials on the tree? What does it commemorate? Was it 1940, or even 1968? Were they initials to remember local folk, and what were they doing in 1940 or 1968?

If anyone can resolve these conundrums, please write to the Editor of STAB.

It is a wonderful walk up to The Beeches, with a superb view over all the western part of the village. Well worth a visit.

There are several other riddles to be found in the village; perhaps because it is so old.

*James Thompson*

## Neighbourhood Helpers

Do you need any sort of help?

The idea of having Neighbourhood Helpers came out of the 2015 Village Plan. It was felt that we could probably do more for each other using the range of knowledge and ability that exists within our community.

A team of volunteers is being established to act as “good neighbours” in their parts of the village. If you would like to talk about the help they may be able to provide you please call : Sue Porter S.780459 or George Brutton S. 718539

#### **EARLIEST MEMORIES**

Walking 3 miles to school. I was treated like a doll because I was so small. I had to sit on a high stool to eat my sandwiches at lunch.

#### **HOW LONG HAVE YOU LIVED IN BISHOPSTONE?**

Since 1944

#### **HAVE YOU ALWAYS LIVED IN THE SAME HOUSE HERE?**

I started off at The Bridges by the watercress beds. Then I lived with my parents-in-law at Crouchston Cottage. After that a flat in Netton House, 44 years at The Styles, and now 30 years at West Cottage, Faulston.

#### **WHAT DID YOU DO IN THE WAR?**

I was in the Women's Land Army at Much Wenlock in Shropshire where I looked after the chickens and the horses. One day returning to the farm, a horse ran free from the cart when it didn't make the gateway, and the horse bolted back to the farm. I got into trouble over that! I came to Bishopstone and worked as a relief milker for the Wort family at Crouchston, milking the cows at Faulston Barns. These barns have now been converted into homes.

#### **HOW DID YOU MEET YOUR HUSBAND?**

I met Cecil whilst sitting by the bridges near the watercress beds, opposite the cottage called The Bridges where my sister lived.

#### **WHAT ARE YOUR HOBBIES OR PASTIMES?**

Gardening, tapestry, collecting village history, cooking.

#### **WHAT WAS YOUR FAVOURITE HOLIDAY?**

## BISHOPSTONE LITTER PICK

In March 2016 the village undertook a “Litter Pick’ as part of the Clean for the Queen campaign. This year Wiltshire Council is supporting the Great British Spring Clean and encouraging villages to undertake a further round of litter picks.

It is proposed to undertake a litter pick in Bishopstone in April or May.

For this to happen volunteers are needed – both to organize the event and to join groups of litter pickers for each part of the village. All the equipment needed (high viz jackets, “grabbers” etc) is still available from the 2016 pick.

PLEASE LET MIKE ASH ([bishopstoneclerk@btinternet.com](mailto:bishopstoneclerk@btinternet.com) or 781044) KNOW **BY 12 MARCH** IF YOU ARE PREPARED TO ORGANISE OR HELP IN THIS EVENT.

### BISHOPSTONE ANNUAL PARISH MEETING AND MEETING OF THE PARISH COUNCIL

The **Annual Parish Meeting** will take place at 7.00pm on Thursday 8<sup>th</sup> March in the Village Hall. This is the annual opportunity for residents to raise for general discussion any issue affecting the village.

That meeting will be followed by a meeting of the **Parish Council** at 8.00pm.

All are invited to attend. Coffee, tea and biscuits will be available from 6.45pm.

## FLASH FLOODING IN THE VILLAGE

15 FEB 18

This winter we have had heavy rainfall. While this is not causing flooding on anything like the scale of 2013-14, there are several instances of flash flooding or surface flooding on local roads within the village.

In the majority of cases the simple expedient of clearing a drain or a ditch is the quickest solution to the problem. It would be a great help if anyone seeing such flooding, especially if it threatens their own property or access to their property, tries to resolve the problem themselves in the first instance. Judicious use of a spade is usually enough. Should this fail to resolve the problem then it should be reported to the Parish Clerk, the Emergency Planning Coordinator, either of the two Flood Wardens or your Area Representative. All details are on the Village Website under Emergency Planning.

## STORY TIME at The Hub

We are looking for volunteers to read stories to toddlers at the Hub on a Monday morning, 9.30 -10am.

At present, each week we have between 2 and 6 toddlers and they love "lift the flap" books, nursery rhymes and picture books. Do not worry if you do not have such books - they can be supplied.

This is a really lovely thing to do (and you get a free cup of coffee!) Open to men and women - you are never left alone with the children, the mums are always with them.

If you would like to try this out, please contact Janet Roe (01725 5419242 or [jhroe99@gmail.com](mailto:jhroe99@gmail.com))

### **Dear Village Hall Users**

**The White Hart Pub is all for Village Events and has always taken pride in promoting these events especially when it comes to those being held in the village hall. However, when an event is on at the village hall I only deem it fair that you do not take trade away from your local pub by advising your guests to use our car park! This deters our customers from using us which in effect upsets our trade and can be detrimental to our business.**

**Many Thanks  
The White Hart**

## THE TRUSSELL TRUST

The collection for February was 24.8 kgs, thank you all so much.

They are still very short of **Long Life Fruit Juices** and also **Dried Milk**, so if you could include these in your donations they would be very grateful. Tinned meat and vegetables are also badly needed as are personal hygiene products.

Thank you to the anonymous donors who have left items on our doorstep.

As usual donations can be left in the box in the church porch or at The Old Post Office, The Cross, either ring the doorbell, leave them on the step or in the plastic box outside.

Thank you again for your continued support

Regards

## Bishopstone Playgroup

Do you have a child of pre-school age? If so then why not come along to the village hall on a Friday morning and say hello. We welcome children right from the tiniest baby; we do have a baby-corner with lots of lovely toys, but even if your baby is likely to sleep right through the group like mine currently does, you can come along and enjoy a hot drink and a chat with other parents! We are a relaxed and friendly group. We have attendees from the valley, but also several surrounding villages, as well as Wilton and Salisbury, all are very welcome.

For older children we have a large selection of toys and activities including a car mat, train set, building blocks, a toy kitchen, dressing-up clothes, puzzles, ride-on scooters, etc. We usually also provide art and craft activities such as playdough.

Each week one of the parents volunteers to bring snacks to the group, so there's always something tasty (often home-made!) to get you through the morning. We also welcome

parent volunteers to help us set up the hall for the group, so if you are coming along straight from school drop-off you are more than welcome to come a little earlier than 9:30.

When I had my first baby I realised that parenthood could potentially be very isolating, but I found groups such as this a real lifeline, and a great way to make new friends. When I had a lively toddler, I knew that I needed to take him out to places where he could burn off some energy in a safe environment, and develop his social skills at the same time – again, groups such as this are perfect, and even better if you can walk to them (a rarity if you live in a village and need to get in the car and drive to many activities). Don't forget that there is also a playgroup in Broadchalke, the newly-reformed Teddy Bears, now running from 9:15—11:15 in the village hall.

The playgroup was recently chosen to be part of the Waitrose green tokens scheme, and we have just heard that we are to be given £220 from this. Many thanks to all of you who popped your green token in our box! We are using the funds to buy new storage boxes for our lovely toys, purchase some more art and craft materials, and to continue to pay our hall-hire costs. If you are interested in coming along to Bishopstone Playgroup do join our Facebook page for up to date information on the group – and do pop along to join us, we'd love to see you!

**March 2018**

Newsletter

SPRING IS IN THE AIR.....at last.

Looking ahead two important events that take place at this time of year:

Firstly, **Mothering Sunday on March 11<sup>th</sup>**, an opportunity to recognise and give thanks for the special role that mothers play in the heart of a family. Of course it's not all about presents but a little gesture is a way of showing appreciation for all the many kindnesses and love that mothers give to their children. With that in mind the HUB will be stocking extra flowers which come from our regular supplier *Pod and Pip*. These can be ordered in advance or while stocks last, can also be bought over the counter in the shop. Also our range of greetings cards will include a selection suitable for the occasion and of course there are plenty of other gifts that would be appreciated by any hard-working Mum. Secondly, **Easter Sunday on 1<sup>st</sup> April**, not to be confused this year with April Fool Day! First and foremost Easter Sunday is an important day in the Church's calendar and over the centuries the egg has become a symbol of new life which for many, is why it has it is so much part of the Easter celebration. Not surprisingly there will be a good choice of Easter Chocolate available in the shop provided by **New Forest Chocolates**, another regular supplier to the HUB plus some beautifully designed cards.

A quick reminder about the fresh fish we source from **SeaFresh** in Cornwall. Our regular supply of fresh fish is delivered every Thursday and special orders including lobsters, can be taken up until lunchtime on Tuesdays. Our regular stock consists of a fish pie mix plus (depending on the catch), haddock, plaice, lemon sole and sea bass, all vacuum packed. We hear much about how good fish is in our diet these days and it is interesting to see how popular it has become with our customers not just for health reasons but also for its delicious taste!

**Environmental Health Check.** From time to time we are paid an unscheduled visit by the Wiltshire Council Environmental Health Officer. Their purpose is to inspect, amongst other things, hygiene standards, food storage facilities, lighting and pest control. After the inspection each establishment is given an overall rating from one to five. Congratulations to Ellen and her team for achieving a five – ie **top marks!**

**A new website.** By the time you read this newsletter we will have launched our new website which has been completely re-designed and modernised. There are lot of new photographs so you might even recognise yourself in one of them! The address is the same as before but as a reminder it is: **[www.chalkevalleystores.co.uk](http://www.chalkevalleystores.co.uk)** We are most grateful to Lindsey Burden of LBB Business Solutions ([www.brownburden.com](http://www.brownburden.com)) and her colleague Liz, for all their hard work and the advice they have given us in the development of the new website.

The HUB was closed for a funeral in the United Reform Church on Monday 12<sup>th</sup> March. Perhaps this is a timely reminder that we are occupying a place of worship and that it is still used regularly for religious services. Being closed for one day is a small price to pay for the excellent cooperation we enjoy with the URC in having jointly created a community facility. Thank you to all our customers for their understanding.

A couple of dates to note please:

The coffee shop will closed from about midday on **Friday 2<sup>nd</sup> March** when there will be a service in the church celebrating the *World Day of Prayer* starting at 3.00pm to which everyone is invited to attend. **The Members AGM will be held on Wednesday 7<sup>th</sup> March at 7.30pm in the Coffee Shop in the HUB.**

**Quote from the visitors book** "So good to see our chapel so full of life"

**Our March Moviola film**

# LOVING VINCENT

(PG13)

An amazing film about Vincent van Gogh. Footage was shot of the cast playing out scenes on rudimentary sets; this was then projected on to canvases, frame by frame, and painted over. 125 artists painted the 65,000 individual frames, inspired in each sequence by specific van Gogh paintings. The process took six years and the visual effect is overwhelming .

*To make our evening even more special, Matthew Button, the Production Designer for this film, will give a pre-film talk about how it was made.*

**Friday 23<sup>rd</sup> March 2018 at 7.30pm.**

**Doors & the bar open at 7.00pm**

Dear Editor

I write with reference to the article in last month's StaB entitled "Bishopstone to replace Silverstone".

We found it very amusing but oh so true, and even worse now 25 years later!

It sounds very much like a Margaret Shepard article from when she was the editor of StaB.

We also sympathise with the notes from the Parish Meeting regarding speeding in Harvest Lane. It appears that once some traffic turn off from the High Road speed increases, no matter whether it is Harvest Lane, Church Lane, Butts Lane or Flamstone Street, just because the speed limit no longer applies doesn't mean it is safe to speed up.

Wouldn't it be wonderful if our village could get the same treatment as Broadchalke and Coombe Bissett regarding speed limits. We are stuck with a 40 mph for most of the High Road with a short 30mph in the middle and the unlimited on all the back roads, whereas the two afore mentioned villages get extended 30 mph and now a reduction to 20mph! It would be interesting to learn how they have managed that.

Surely there ought to be some consistency through the villages along the valley.

I know the Parish Council try hard to get the 30mph limit extended but someone, somewhere must think that Bishopstone is a "special case" for it to be continually ignored in this way.

Dear Editor

I am writing to express our thanks for all the hard work you put into producing the StaB for us every month. I have heard some mutterings from various fronts but would just like to say that if what we want are more articles in the magazine then those who grumble must get down and write something.

You as editor can only produce what you have sent to you, it is up to us readers to produce more. But.... if there are more articles it will mean more pages, and therefore cost more to print and I understand that the pages of the magazine consist of one page of paper, folded in half which means that there are four sides to fill. This means at least four new articles need to be given to you, you can't just put in one single page.

Another thought is this – how many houses in the village actually want and read the magazine each month? I dilligently read ours from cover to cover but I wonder how many are just discarded. If cost of printing is a concern, which I have heard it may be, would it not be a good idea to find out if there are any people who really do not want a "free" copy?

Just a few thoughts there. I wish I had something interesting which I could put into the magazine, but cannot think of anything which may interest your readers. I will try to work on it! But hopefully there are a few budding writers out there who could contribute.

Yours thankfully

Judy Barrett
